Awesome 20 Gauge Daughter is currently just under 90" TTT and was 80" ttt at 5 years, she's a great milker, with excellent conformation and easy keeper. Phenomenal outcross potential when pairing with today's power genetics. Unlimited possibilities here. She produces very balanced offspring with great color and conformation. Her 2021 and 2022 heifers will be retained and incorporated into the heart of our breeding program. She is beautiful to
